What you need:

- Can of Pillsbury Cinnamon Rolls
- Roasting prongs (preferably with the prongs close together)
- Campfire with hot embers

Directions:

1. Pop open can of rolls and carefully divide the cinnamon rolls.
2. Gently insert the prongs through the side of the cinnamon roll in the center of the bun making sure it's near the back of the prongs.
3. Slowly place your roll over hot embers, rotating frequently and on all sides.
4. Depending on the heat in your campfire, it should take anywhere from 8-12 minutes to toast your rolls so that they are cooked all the way through.
5. Remove from campfire and allow to cool slightly before carefully removing the roll from the roasting prongs. Eat and enjoy!
